**Re: Follow-up 104(e) Request - Atlantic Richfield
Lower Darby Creek Area Superfund Site
Delaware and Philadelphia Counties, Pennsylvania**

Dear Mr. Normane:

The U.S. Environmental Protection Agency ("EPA") has received the response of Atlantic Richfield Company ("ARCO") to its February 19, 2002 Information Request. Based on that response and information obtained by EPA as part of its continuing investigation, EPA is seeking additional information concerning the waste disposal activities of ARCO at the Folcroft Landfill between 1969 and 1974.

Please review the enclosed interview summary indicating that waste was disposed by ARCO at the Folcroft Landfill and waste tickets indicating that ARCO was a customer of Tri-County Hauling, Inc. EPA requests that ARCO respond to the February 19, 2002 Information Request (copy enclosed) based on this information.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e), ARCO is required to furnish all information and documents in its possession, custody or control, or in the possession, custody or control of any of its employees or agents which concern, refer, or relate to hazardous substances as defined by Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), pollutants and/or contaminants as defined by Section 101(33), 42 U.S.C. § 9601(33), which were transported to, stored, treated, or disposed of at the above referenced facility.

Section 104 of CERCLA, 42 U.S.C. § 9604, authorizes EPA to pursue penalties for failure to comply with that section or for failure to respond adequately to required submissions of information. In addition, providing false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. § 1001. The information you provide may be used by EPA in administrative, civil, or criminal proceedings.

You must respond in writing to this required submission of information within **thirty (30) calendar days** of your receipt of this letter. The response must be signed by an authorized official of Wyeth. If, for any reason, you do not provide all information responsive to this letter, in your answer to EPA you must: (1) describe specifically what was not provided, (2) supply to EPA a clear identification of the document(s) not provided, and (3) provide to EPA an appropriate reason why the document(s) was not provided.

All documents and information should be sent to:

Carlyn Winter Prisk (3HS62)
U.S. Environmental Protection Agency
1650 Arch Street
Philadelphia, PA 19103

This required submission of information is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. Section 3501, et seq.

If you have any question concerning this matter, please contact Carlyn Winter Prisk at (215) 814-2625 or you may have your attorney contact Bonnie Pugh Winkler, Senior Assistant Regional Counsel, at (215) 814-2680.

Sincerely,

Abraham Ferdas, Director

Business Confidentiality Claims

You are entitled to assert a claim of business confidentiality covering any part or all of the submitted information, in the manner described in 40 C.F.R. § 2.203(b). Information subject to a claim of business confidentiality will be made available to the public only in accordance with the procedures set forth in 40 C.F.R. Part 2, Subpart B. If a claim of business confidentiality is not asserted when the information is submitted to EPA, EPA may make this information available to the public without further notice to you.

Disclosure of Your Response to EPA Contractors and Grantees

EPA may contract with one or more independent contracting firms (see Enclosure B) to review the documentation, including documents which you claim are confidential business information ("CBI"), which you submit in response to this information request, depending on available agency resources. Additionally, EPA may provide access to this information to (an) individual(s) working under (a) cooperative agreement(s) under the Senior Environmental Employment Program (SEE Enrollees). The SEE program was authorized by the Environmental Programs Assistance Act of 1984 (Pub. L. 98-313). The contractor(s) and/or SEE Enrollee(s) will be filing, organizing, analyzing and/or summarizing the information for agency personnel. The contractors have signed a contract with EPA that contains a confidentiality clause with respect to CBI that they handle for EPA. The SEE Enrollee(s) is working under a cooperative agreement that contains a provision concerning the treatment and safeguarding of CBI. The individual SEE enrollee has also signed a confidentiality agreement regarding treatment of CBI. Pursuant to CERCLA, 42 U.S.C. § 9604(e)(7) and EPA's regulations at 40 C.F.R. § 2.310(h), EPA may share such CBI with EPA's authorized representatives which include contractors and cooperators under the Environmental Programs Assistance Act of 1984. (See 58 Fed.Reg. 7187 (1993)). If you have any objection to disclosure by EPA of documents which you claim are CBI to any or all of the entities listed in the attachment, you must notify EPA in writing at the time you submit such documents.
